INTERNATIONAL SALE OF POLLED SHORTHORNS
Stock Yards Sale Pavilion

Information for the Buyer

FREE FREIGHT OFFER—The American Shorthorn Breeders' Association will reimburse any purchaser, or group of purchasers, who buy and ship a carload of ten lots or more from this International Sale to one destination, up to a maximum of \$200.00. To qualify for this freight subsidy the final destination must be 300 miles or more away from Chicago, Illinois, and receipted paid transportation bill must be presented.

MAIL BIDS—Those unable to be present and who desire to take advantage of the buying opportunities in this sale, may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be happy to handle buying orders for you.

Representing THE SHORTHORN WORLD, 16 So. Locust St., Aurora, Ill.
Hal Longley Mervin Aegerter Don Longley Ed Huff

Representing AMERICAN SHORTHORN BREEDERS' ASSOCIATION
Clinton K. Tomson Clem Larson Ted Aegerter Stan Perkins

Representing THE CORN BELT DAILIES, Stock Yards, Chicago, Ill.
Tom Sherlock Lyle Springer Dale Runnion

SHIPPING ARRANGEMENTS—It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment following the close of the Stock Show. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE INSTRUCTIONS WITH THE SALE CLERK.**

LIABILITY—Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

INSURANCE—Coverage may be secured effective at the time of sales.

GUARANTEE—All animals sold in this sale will be backed by the Standard Guarantee endorsed by this Association which is printed elsewhere in this catalog.

AUCTIONEERS—J. E. Halsey, Des Moines, Iowa
Hamilton James, Newton, Illinois
C. D. Swaffar, Tulsa, Oklahoma

Standard Guarantee

of
AMERICAN SHORTHORN
BREEDERS' ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

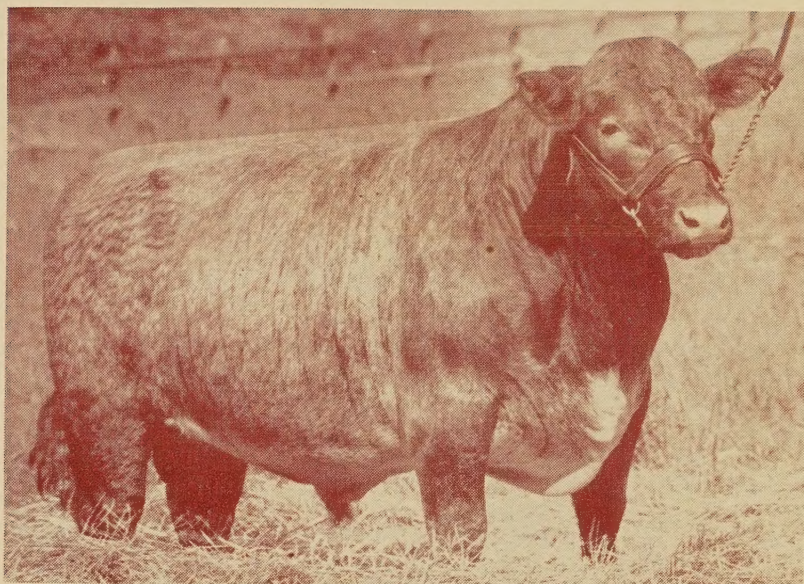

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this International Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

WILLGRACE CROWN—Was first prize in class at the 1949 Missouri State Fair. His dam's first calf was a first prize heifer at the 1948 Congress and was sold to Lynnwood Farm. He is a three-quarter brother to the winning Best Pair of Bulls at the 1949 Congress. Both grandsires and two great grandsires were 100% dehorners.

1948 International Grand Champion Bull

King of The Vanities 50th, Grand Champion Polled Shorthorn Bull at the 1948 International is a sample of the super-efficient modern beef type of today's Polled Shorthorns. He was calved October 10, 1947 and was bred and exhibited by Lewis W. Thieman of Concordia, Mo. The Champion was sired by King of The Vanities x and his type, conformation, rugged bone, low-setness and his masculine breedy head made him a popular Grand Champion. This deep bodied, dark roan bull was out of Sobriety Butterfly and was Grand Champion wherever shown in 1948. The Thieman family have bred and exhibited many International Grand Champions.

No richer source of animals with the capabilities of producing tomorrow's champions will be found than right here among the bulls and females offered in this sale. They are bred right, produced in herds backed by superior skill in mixing bloodlines, and embody to the highest degree the ideal beef type of today.

BEAU OF THE VANITIES—Is by a seven-eighths brother to the 1949 International Grand Champion bull, King of the Vanities 50th, and to Nonpareil Coronita 12th, the Champion female at the 1949 Illinois, Missouri and Iowa State Fairs. This bull was third in class and a member of the second prize pair of calves at the 1949 Missouri State Fair.

All the advantages of other beef breeds PLUS the money saving advantage of the naturally hornless head.

SHIR-MA-RITA HALLOWEEN—Was the second prize senior bull calf at the 1949 Iowa State Fair. He comes from a family of fine producers. During the past four years sons of his sire have won one Grand Champion and two Reserve Champions at Iowa Polled Shorthorn Sales; other sons won their class at the 1946 National Polled Shorthorn Congress, first on a pair of bulls and the Grand Champion. Half brothers to this bull now head pure bred herds in Alabama, Maine, Ontario, Wisconsin, Minnesota, North Dakota, Washington and Iowa.

MILLBROOK NONPAREIL 5th—Is a half sister to Millbrook Crown, the 1947 International Grand Champion bull. She won her class at the Illinois State Fair this year and was Reserve Champion female at two local shows with horned competition.

1948 Grand Champion and

Top Selling Female

The Grand Champion Polled Shorthorn female at the 1948 International Livestock Show was also the top selling animal at the 1948 International Polled Shorthorn Sale. This short-bodied roan female, Hilddale Augusta May x2440065, was an entry from the herd of J. W. Bennett, Winona, Washington. She sold at \$3,600 to Lynnwood Farm, Carmel, Indiana. She was calved June 15, 1947 and was sired by the Alauna Collynie, Champion and high selling bull of the 1946 Polled Shorthorn Congress.

Hilddale Augusta May was a dark, flashy roan, beautifully headed, deep bodied heifer, smooth from end to end and was Grand Champion at the Grand National at San Francisco and at the Ogden Shows in 1948 in horned competition. She is an ideal brood cow type, possessing all of the desirable characteristics cattlemen dream about.

There are many championship prospects in the 1949 offering listed in this catalog.

Type....Uniformity....and Adaptability

The progress of a breed is determined by the actual improvement of its animals. Constant improvement in leading polled Shorthorn herds has been made possible through the careful selection of modern type breeding animals. The uniformity developed through this method makes the task of breeding polled Shorthorns a much more pleasant one. Their efficiency in converting roughages into beef, their greater weight for age, fast-gaining ability, gentle dispositions, and hornless character, make them adaptable to all conditions under which beef cattle are produced.

There is no better time or place to make selections for a profitable producing herd of Polled Shorthorns than in this 1949 International Sale.

GLEN K MISSIE—Is out of a half sister to the \$4,000 Glen Knolls Monarch and was the top of the Clamme dispersion sale.

The progressive beef producer must combine pedigree and show-ring standards with evidence of efficient beef production. No breed can meet those all covering requirements better than polled Shorthorns. They are today the beef breed par excellence offering ideal beef type with show-ring type and uniformity. They have all the famous beef producing qualities of the Shorthorn . . . its greater weight at any given age . . . abundant milk supply for early maturing calves . . . and easy feeding, easy handling dispositions . . . PLUS the greater money saving safety factor of naturally hornless heads.

"A Pursuit Which Never Tires"

"To breed these animals in purity of blood and perfection of type is one of the noblest and most satisfying occupations of men. No other endeavour yields higher returns

in the joy of achievement or temper labour with more pleasure and happiness . . . The beauty of the herd at pasture delights the eye. Their thriftiness satisfies the desire for profit and their carcasses gratify mundane appetites. To breed Shorthorns is good; to breed good Shorthorns is better; to breed better Shorthorns is an achievement. And an achievement which tests the resourcefulness, intelligence and judgment of the breeder. It is an occupation which lasts a lifetime without monotony; a pursuit which never tires; a labour which is its own reward. Small wonder that it engages the attention of and knits in friendly bonds a large and choice Brotherhood. . . . We are large in numbers, but we have only begun to grow. There will be rewards in store which cannot be measured."—H. L. STRAUS, president, American Shorthorn Breeders' Association and American Polled Shorthorn Society.—(SHORTHORN WORLD, August 10, 1948.)
